# Select Manuscript for Evaluation

Welcome to Science's Submission and Information Portal. Here you can submit a new or solicited manuscript, continue working on a submission, track a submitted manuscript, or access manuscripts assigned to you as a reviewer or advisor. You can begin a new submission by clicking on the NEW SUBMISSION button in the navigation bar above. To work on an un-submitted manuscript, click on the manuscript number. If you are a reviewer or advisor, click on the manuscript number as well.
